Dedication...

REV. BROTHER C. WALTER
Principal

IT IS WITH HUMBLE GRATITUDE that we dedicate this, the 1955 ARROW, to Brother Walter, who has done so much to aid us in our preparation for the role of responsible Catholic adults.

Brother Walter, who was once a student at St. Joseph's, graduated from here in 1924. He entered the Brothers in 1927 and earned a PhD. in Economics from Fordham University in New York. He has previously taught at the Christian Brother's Academy, Albany, Manhattan College, N. Y., and was assistant principal at La Salle Academy, N. Y. In September 1952, he returned to St. Joseph's and during the same year celebrated his Silver Jubilee. He took over the office of principal in 1954.

The

G r a d u a

THE SENIORS have long awaited this day when they receive their caps and gowns. To the seniors it is a day of both joy and sorrow; the joy of graduating and the sorrow of leaving their Alma Mater. We look the future and wonder what it will bring. Many will

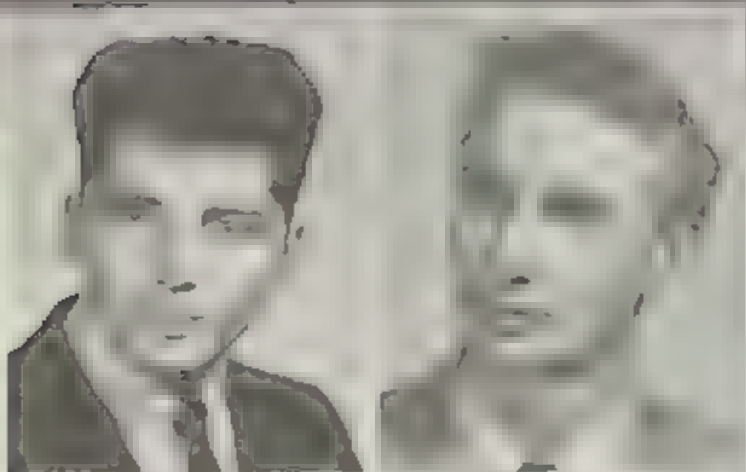

t e s

enter college, some the armed services and others
business. The Brothers have done their best to prepare
us for the tasks ahead. Their job is now complete and
we are on our own.

1954 Active Calendar

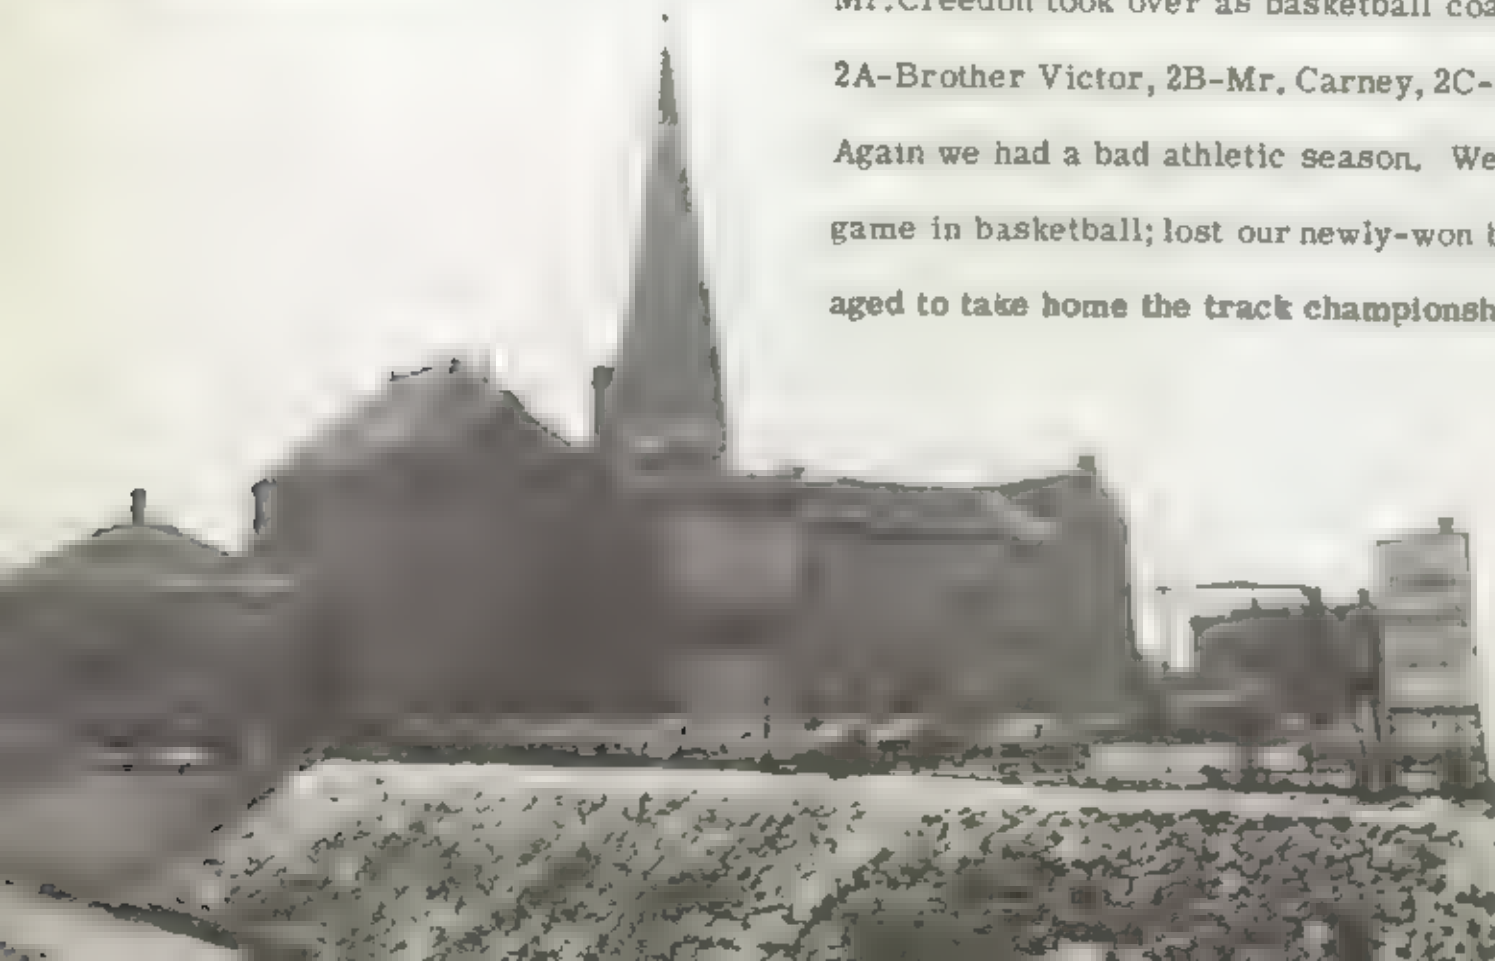

History of

WE STOOD as freshmen in September 1951. High School seemed like a long and rocky road stretching far ahead, almost beyond our reach, St. Joe's caught us in its spell almost immediately. The manliness, the spirit, all took our breath away. Brother Anthony Joseph was principal at that time, with our present principal Brother Walter and Brother Conrad Stephen assisting him. Our homeroom teachers were: 1A-Brother Conrad Stephen, 1B-Mr. Carney, 1C-Brother Stephen, 1D-Mr. Chevalier. Athletic-wise we had anything but a good year. We lost the oil can, 7-0; won only two basketball games all year; finished second in track, but did manage to take the baseball championship but then lost to Lourdes in Briggs Stadium.

AS SOPHOMORES, we became "old hands" at this thing called high school. Besides scorning the freshmen, we began to take an active part in the school activities. Brother Joseph continued as principal, and Mr. Creedon took over as basketball coach. Second year teachers were: 2A-Brother Victor, 2B-Mr. Carney, 2C-Brother Dominic, 2D-Mr. Udell. Again we had a bad athletic season. We lost the oil can, 13-6; won one game in basketball; lost our newly-won baseball championship, but managed to take home the track championship.

Class of "55"

WE BEGAN giving the student council more and more trouble. As juniors, we decided we were as good as the seniors, but a

few tickets soon cooled that idea down. Brother Walter became principal, and we were all saddened to see Brother Joseph leave, but Brother Walter soon established himself as a comparable director. Third year moderators were: 3A- Brother Dominic, 3B- Brother William, 3C- Brother Christopher, 3D- Brother Austin. We finally won the oil can, 6-0, and took the East Side in football. Our basketball team won 12 and lost 5, going to Plymouth Regional finals. Our baseball team lost to St. Ladislaus after tying for the championship, and our track team won again with Brother Christopher taking over from Brother James.

WE BECAME SENIORS at last, and that diploma didn't seem quite as far away now. Brother Walter continued to direct the school as principal. Our last-year teachers were: 4A- Brother Robert, 4B- Brother William, 4C- Brother Christopher, 4D- Brother Francis. We lost the oil can again, 32-0. Our basketball team had a good but championshipless season. Mr. Sauve and Mr. Coccitti replaced Mr. Udell and Mr. Creedon as football and basketball coach respectively.

The

U n d e r g

IT SEEMS like only yesterday when we seniors were just entering St. Joe's. To those who follow us we bid a fond farewell, remembering that in a few short

a d s

years they too will be publishing their own annual and
joining the long ranks of St. Joe's Alumni. To them we
say "Good Luck"

THE CLASS of '55 proudly leaves St. Joe's after four years of joy and sorrow. To the freshmen and sophomores it is one more step toward their goal. To the juniors, we pass on the burden of leading the school. May these future seniors have the same spirit which has grown with us through our four years at St. Joseph's High School.

Our Athleti

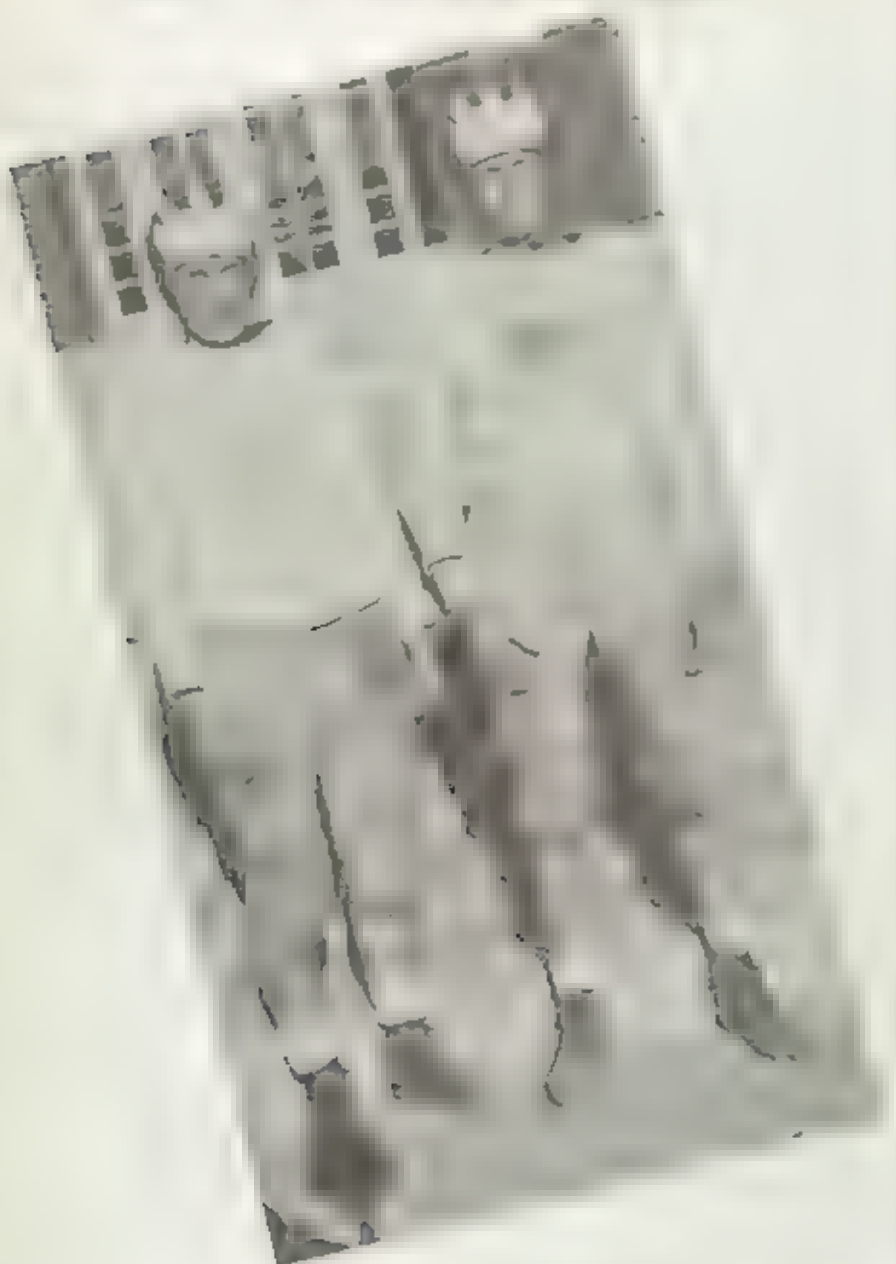

WE AT ST. JOE'S are fortunate in having a well rounded athletic program; football, basketball, baseball and track. For those who do not participate in these, there are also suitable intermural sports; basketball, handball and ping pong, as well as track and field

events at the annual field day. The students here at St. Joe's, when not playing, have come out in large numbers to cheer for those who were giving their all to add to the school's great name.

UNDER the tutelage of the new head coach, Jerry Sauve, the Blue Jay Eleven opened the grid season with a 25-8 win over St. Ladislaus. Brezavar penetrated pay dirt twice only to have both runs called back. Scoring more lasting TD's were Oliver, Eusebio, Scrafano and Halkey.

In their second game the boys in Blue and White met the St. Ambrose team under rather unpleasant atmospheric conditions. Coming from behind, the boys from Ambrose managed to scuttle the Blue Jay dreadnaught and swim away a 19-12 win.

Still soggy from the Ambrose game, the Blue Jays

avoided possession of the cherished oil can to the boys in Purple and Gold. Having a fairly easy time of it, De La Salle walked away with a decisive 32-0 win.

The Blue Jay Gridders met the eventual league champs, St. Anthony, in an ankle-deep sea of mud at Mack Field. The Tutors rolled up a 20 point lead in the first half and although they never scored in the second half, they managed to hold the embattled Blue Jays to 13 points scored by Sytek and Fusebio. This was their third straight loss, 20-13.

St. Joseph ended a three game losing streak by downing the Scrute eleven 15-6. Sytek started the scoring by grabbing a loose red kick and racing into the

endzone. A Servite made safety and TD pass from Duke Scrafano to Ed Oliver make it 15-0. The Panthers managed to score their only points by downing a blocked Blue and White punt in the endzone. This gave St. Joe's the Fleming Trophy for two years in a row.

Marching to an impressive victory, St. Joseph trounced the St. Catherine eleven 32-8. Contributing to the Blue Jay's scoring spree were Sytek, Scrafano, Brezavar and Halkey; the latter scoring twice. Sytek also got a safety as St. Joe won

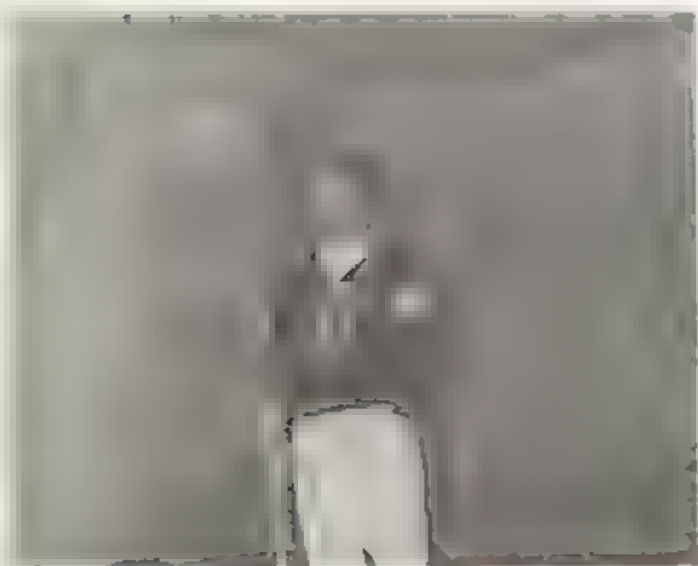

number three of the year. Scrafano scored once himself and passed to Brezavar for another.

Ending the season on a winning note, the Blue Jay Eleven downed St. Stanislaus 28-0. Standout of the game was Don Gheysens who caught a TD pass, recovered a fumbled kickoff to set up another score and trapped a St. Stanislaus runner for a safety.

Although original hopes for the championship were not quite met, the St. Joseph Eleven had a winning (4-3) season.

Who's Who'

THE OUTLOOK at the beginning of this year's cage season was indeed bright. Most of last year's varsity was again on the floor for St. Joe's and there were high hopes to better last year's season of 12 wins and 5 losses. An important change was the taking over of the head coach spot by Mr. Coccitti.

The season was opened against the St. Florian Lancers who promptly speared the Blue Jays with a 40-49 loss. This, however, was followed by four straight wins; St. Catherine, 60-28; St. Mary of Mt. Clemens, 53-38; St. Ladislaus, 56-27; and St. Anthony, 64-28. Unhappily all good things must come to an end and we lost a close one to Servite, 48-49, followed by a 44-55 loss to De La Salle. The Blue Jays soon bounced back, however, and crushed St. Ambrose, 51-35, and St. Catherine, 62-19. Now the following games took on a new importance, If the Blue Jays could keep up this winning pace, they might be able

Brother Robert introduces the team

to overtake the DLS Pilots in the race for the East-side Championship. In the desperate race down to the wire, the Blue Jays steadily gained on the high-flying Pilots by beating St. Lad's, 48-39, and St. Anthony, 48-33. Hopes now ran high that there might be a play-off in which the Blue Jays could gain the East-side crown and a chance at the City Championship. With this goal in sight, St. Joe's downed Servite, 64-50, and De La Salle, 53-52. Although our last league game with St. Ambrose was an 81-68 win, the Pilots managed to eke out the Championship by a slim one game margin.

The Blue Jays then took a trip across town only to lose 52-53 to Holy Redeemer. We closed the season by beating Servite 76-53 and St. Gregory 68-45. Our trip to the State Regional Games proved to be a one night stand as we lost 33-37 to Plymouth.

All in all the regular season's score was 13 wins to 4 defeats with Gheysens, Muller Palaroli, Rizer and Ulicny topping the 100 point mark.

Our Activities

BESIDES the time put into studies and sports, we still find occasion for extracurricular activities. These activities in conjunction with studies aid in developing a well-rounded personality, something which

cannot be taught in class alone. The school tries through these numerous activities to have something of interest to each individual.

Benediction of the Most Blessed Sacrament.

SUPPLEMENTING the school schedule at Saint Joseph's High School are many religious activities throughout the year. Our school is incorporated in the Archconfraternity of the Divine Child, dedicated to Christ as a youth, which includes all the Brothers' schools throughout the world. Each month we have a guest speaker address the student body at our Archconfraternity meeting. Teachers exchange classes for private talks. Archconfraternity officers are elected annually to insure the smooth running of the activity. We also have First Friday Devotions with litany and Benediction of the Blessed Sacrament. Every year a religious priest conducts a retreat for the students. The Senior Class of '55 was invited to attend the Communion Breakfast for May, sponsored by the Saint Joseph's Alumni. Before each class, Saint Joe's has its own formulated prayers and ejaculations. Our school 'Builds Boys' and 'Makes Men' spiritually as well as physically and mentally by its various religious activities.

AN ORGANIZATION long associated with St. Joseph High School is the Ladies' Auxiliary. The Auxiliary provides social contact between the mothers of the boys at St. Joe's. The moderator is Brother Dominic, who represents the faculty of St. Joseph's at the monthly meetings.

Dads' Club

THE DADS' CLUB of St. Joe's was started in 1948 by Brother C. James, who was the first moderator of this organization. In 1954 he was succeeded by Brother William who is the present moderator.

The purpose of this organization is to help the Christian Brothers, to promote good activities between the Holy Church and Youth, to continue religious and social affairs and thus offer to the members a medium of spiritual assistance and social contact.

The Dads' Club has sponsored many activities since its beginning for the renovation of the school and grounds. The Dads' Club also insures the continuation of a student at St. Joe's by paying his tuition in the event of the death of his father.

In order to honor the athletically inclined, they sponsor a sports banquet annually.

The Dads' Club arranges such activities as the Communion Breakfast, annual picnic, field day and feather parties.

Special thanks are due to "Al" Weatherly of Litho-Art and to Maurice Gies and the staff of Powell Studios for their splendid help as well as to those seniors who did more than their share in soliciting ads.

We are also deeply indebted to our ADVERTISERS who absorbed a great deal of the financial burden of this book. They deserve your patronage.

St. Joe's Dads' Club

Founded 1948

The OBJECT of the ST. JOE'S DADS' CLUB as set forth in the PREAMBLE of the Constitution and By-Laws:

We, the members of St. Joe's Dads' Club being desirous of:

- a. continuing and perpetuating our interest in religious and social affairs,
- b. working for the welfare of the Christian Brothers and students of St. Joseph High School,
- c. maintaining active cooperation, and advisory relations between Holy Church and Youth,
- d. offering to the members of St. Joe's Dads' Club, a medium of social contact and spiritual assistance, do hereby form a permanent organization to be known and designated as St. Joe's Dads' Club.

Something to remember . . .

Edison will help you . . .

- Plan your kitchen
- Select your lamps
- Do the laundry easier

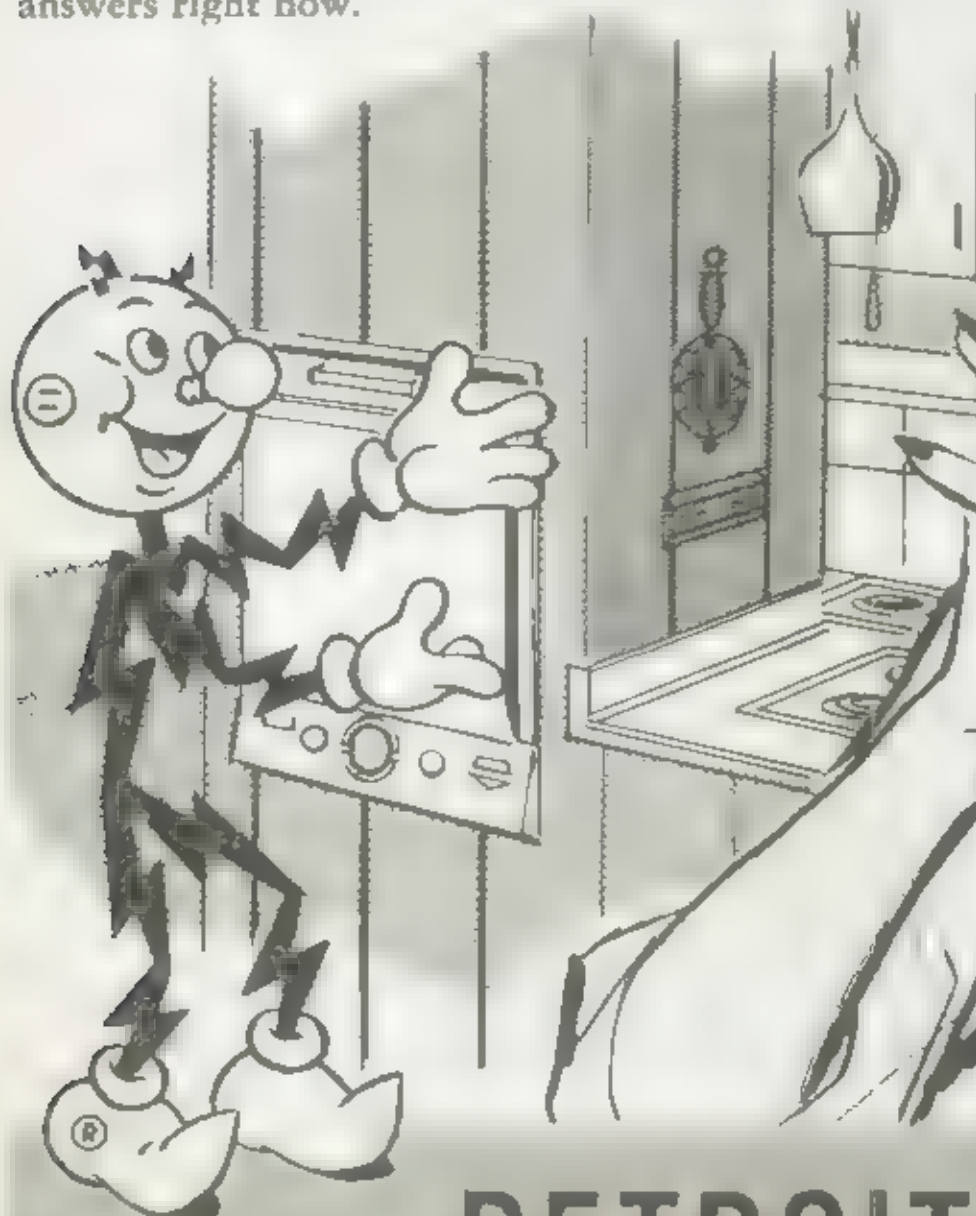

- Plan a menu
- Plan a one-dish meal
- Preserve foods easier
- Plan party refreshments

One of these days, perhaps very soon, you'll be starting a home of your own. When that time comes, look to the trained young women in the Home Service Division at Detroit Edison. They can help you solve many of the homemaking problems that frequently puzzle a new bride.

Without charge, they will answer your questions over the telephone . . . send booklets and folders . . . or in some cases make a personal visit.

In Detroit, telephone WOODWARD 2-2100. In other areas, call your nearest Edison Office.

P.S. Mother might be interested in some of their answers right now.

GAS SERVICE SINCE 1851

Gas service was first provided for Detroit users back in 1851. At that time only a few homes were lucky enough to receive the wonderful, new "illuminating gas" to replace kerosene lamps. Today we are serving more than three-quarter million customers in Detroit and Michigan. And the natural gas provided is used in a great many ways . . . for cooking, water heating, refrigerating, incinerating, clothes drying, and house heating. Industry uses gas in a variety of processing operations.

We plan continually for the years ahead in order to provide an adequate supply of gas for the needs of the communities we serve

Serving 780,000 customers in Michigan
